Save your best  
cook and repeat  
with a single tap

## MEATER Link / Cloud

Enable MEATER Link and  
MEATER Cloud for unlimited  
wireless range capability

# MEATER® & amazon alexa

“Alexa, ask MEATER, when will my steak be done?”

- Hands-free operation
- Anyone can monitor the cook. Just ask Alexa.
- Monitor your cook away from your phone.

## Easy Setup

1. Create a MEATER Cloud account in the MEATER app.
2. Enable Alexa skill.
3. Say “Alexa, ask MEATER.”
  - “Status”
  - “Internal temperature”
  - “Ambient temperature”
  - “Time remaining”

“Your steak will be done in 12 minutes.”
